At 10 O'clock To-Night!!

HEAVY BALLOTING WAS DONE BY MANY LEADING CANDIDATES TODAY—MISS JEWELL O'ROURKE AGAIN LEADS THE RACE—MISS OLLIVIA SILVAS CAPTURED SECOND PLACE—HARRY R. WILKERSON IS NOW THIRD AND MISS BESSIE CAMPBELL IS FOURTH.

LONG TERM SUBSCRIPTIONS

THE EXTRA VOTE OFFER WILL COME TO A CLOSE—BOTH SCHEDULES WILL BE REDUCED BY THOUSANDS AND THOUSANDS OF VOTES.

THE GREATEST VOTE REDUCTION WILL TAKE PLACE—ENTERPRISING CANDIDATES WHO MEAN TO BE THE WINNERS WILL SECURE AND TURN IN EVERY ONE POSSIBLE BY 10 O'CLOCK TONIGHT.

Only a few precious hours now remain of the Great Extra Vote Offer. Ten o'clock tonight will mark the close of this most liberal vote period. After that time both schedules will be reduced by thousands and thousands of votes. At no other time during the remaining period of the Contest will candidates be able to secure anywhere near as many votes for their subscriptions and extensions as NOW. Every Candidate who means to be a big Prize Winner must be sure to turn in EVERY AVAILABLE Subscription and Extension by 10 o'clock tonight. There is not a Candidate in the race who can afford to lose the difference in votes that they will receive before this Extra Vote Offer expires.

Especially in the case of Long-Term Subscriptions. By far the GREATEST REDUCTION will take place on these. Every one promised for the END of the CONTEST should certainly be secured and turned in by 10 o'clock tonight—while this most liberal Extra Vote Offer is in force—before their value is REDUCED. This is the easiest race imaginable. Never were popular and energetic candidates so evenly matched. Therefore it behooves every one to take full advantage of the Extra Vote Offer while it lasts. To do YOUR UTMOST by 10 o'clock tonight. It is the only way to make sure of DODGE VICTORY on May 24th.

Jitneys Now Go To Ferry From Depot

Although the new jitney ordinance may put all the local jitneys out of business, from Saturday on, as claimed, two local jitneys will be in keeping abreast of the times. Yesterday two of the jitney drivers found signs in the front of their cabs, advising the public that their regular route, extended from the Southern Pacific depot at Sixteenth and Macdonald to the wharf of the new Richmond-Marin county ferry. Heretofore the trip to the ferry has not been on the route of any of the jitneys.

Both machines running to the ferry was accorded liberal patronage by the public.

Man Accused By Page Not Guilty

At his second trial on a charge of malicious mischief, brought against him by Contractor L. L. Page, Mike Marco, local laborer, was found not guilty by a jury in the court of Police Judge Lindsay yesterday.

As a result of the jury's verdict it is probable that Page will soon be compelled to answer to a charge of false imprisonment, to be preferred by Marco. Attorney Grady, representing Marco, said, during his plea to the jury, that if Marco was acquitted Page would be sued for having his client jailed, and made to pay heavy damages.

Grady waxed eloquent during his talk. In connection with the arrest of Marco, whom he characterized as a poor, hard working man, the well known attorney broke into tears, and it was several minutes before he regained his composure.

As on Tuesday, the second jury was shown the sidewalk on Castro avenue that the defendant is alleged to have maliciously walked on. No footprints were found on the walk, although Page claimed it had been damaged to the extent of \$25.

When the case was called in Judge Lindsay's court at 10 o'clock the courtroom was crowded. The evidence and arguments were not all in until 8 o'clock. The jury returned its verdict of "Not guilty" at 8:30 o'clock.

Those who were on the stand as witnesses were L. L. Page, W. Rowe, J. O. McGill, Officer Roy Kramer, Officer Frank Standford, Mike Marco, A. Wells, F. Soule and W. Coleman.

The jury was composed of D. B. Kinney, L. J. Givner, V. W. Foulson, W. Jaynes, Nate Lovelace, Charles Kovec, F. Schoeler, C. F. Westover, Sam Wright, C. H. Higgins, George Mesette and I. H. Borton.

The date of the trial of Obligh, charged by Page with the same act of which Marco, his companion, was acquitted, has not been set. It is probable the case will be dismissed by Police Judge Lindsay.

BABE RALLIES FROM SICKNESS

Reports received from the Merritt Hospital in Oakland last night were to the effect that the 2-year-old baby girl of Mr. and Mrs. Ray Oakley of 424 Eleventh street, who is seriously ill with intestinal trouble, resulting from pneumonia, has a chance for complete recovery. A slight improvement in the condition of the child was noticed last night by the attending physicians. The babe was taken ill last week, and its condition rapidly became so serious that it was necessary to remove her to a hospital.

At the meeting of Richmond Hiv of Macabees to be held tonight, Deputy Supreme Commander Aydelotte will be a visitor. The visit of the official will be the occasion for a jollification. Refreshments will be served. All are invited to attend, and all are assured a good time.

BOTH ARMS ARE INJURED BY FLAMES

Through the presence of mind of William H. Scarry, well known employee of the barrel house of the Standard Oil refining plant, Mrs. D. Dittmore, wife of a Standard Oil foreman, was saved from probable fatal burns or death late Monday afternoon. As it was, Mrs. Dittmore had both of her arms to her elbows severely and painfully burned, and she will be confined to her home for three weeks or a month.

The incident happened at 6 o'clock Monday afternoon. Mrs. Dittmore had been out in the back yard cleaning gloves with gasoline. Wearing the gloves, from which the gasoline had not thoroughly dried, she stepped into her kitchen, where there was a fire in one of the burners of the gas range. Immediately the gloves became ignited from close approach to the flames. Both gloves, which extended to the elbows, caught fire all over. Mrs. Dittmore was unable to pull them off. She screamed, bringing Scarry, who rooms in the Dittmore residence and who fortunately happened to be home, to her assistance. Scarry, taking up the situation in an instant, pulled off her smoking jacket, and wrapped it around the arms of the frantic woman.

Had it not been for the opportune aid of Scarry, it is probable that Mrs. Dittmore would have been burned alive, without the power to help herself out of the awful predicament.

Dr. C. L. Abbott, who was immediately called into attendance, pronounced the burns as very severe.

The Dittmores and Scarry reside at 674 Twenty-second street.

What Is Matter With J. Arnold's Police Record?

The man who rushes around for alibi before he is even accused lays himself open to grave suspicion.

A paper that is the vehicle for the gratuitous alibi makes itself a joke.

Who told the Independent to come to the defense of James P. Arnold's police record?

How much did the Independent get for it? And why did it think it necessary to whitewash Arnold's police record in its yesterday's issue?

IS ARNOLD'S POLICE RECORD SOMETHING THAT MUST BE DEFENDED BEFORE IT IS EVEN ATTACKED?

Somebody pulled the strings that made the venal Independent jump sideways and hysterically cry about Arnold's past life, "which has been an open book and one which has stood the closest scrutiny of the knocker brigade."

"I AM INNOCENT," cries Arnold.

"HE IS INNOCENT," shouts the editor of the Independent.

Oh, very well, Arnold, but innocent of what? Don't make so much noise about being innocent. Tell the people what you are accused of that is so in need of defense.

You arouse suspicion. You are running for public office. You have held public office before. But it appears that your record must be defended, though it has not been attacked!

The Independent editor, acting on orders from a certain public official, who telephoned him shortly after 7 o'clock Tuesday night, hunted up his whitewash brush to apply to Arnold's police record.

But the Independent fails to say what part of that record must be kept from the public press and defended.

The police record is an open book, is it? Well, why not make it public, then?

There is a nigger in the woodpile somewhere as big as Jack Johnson.

The hurried attempt to clear Arnold of charges that haven't even been made has aroused the suspicions of the people of Richmond.

A man who has nothing to conceal, who is afraid of no exposure that will defeat him in an election, doesn't whistle his journalistic lackeys to his side and order them to tell the people that HIS POLICE RECORD IS SPOTLESS.

That attempt at an alibi has aroused the suspicion of the Daily News.

We believe, indeed, that if Arnold has abused the confidence of the people while acting as their servant in the past, that THE PEOPLE SHOULD KNOW ABOUT IT.

For that reason we demand to KNOW WHY THE SUPPORTERS OF JAMES ARNOLD CONSIDER IT NECESSARY TO ORDER THE INDEPENDENT TO RUSH TO THE DEFENSE OF HIS POLICE RECORD.

DON'T SEND THEM.

Anonymous communications, containing alleged facts against the opponents of the labor ticket, go into the waste basket of this office.

Some misguided individuals have had the bad taste to send unsigned letters to the editor of the Daily News containing cheap personal attacks against candidates.

The Daily News is not now, nor never will, sling mud against any man, candidate for public office, or any one else.

Our opposition to Hartnett, Arnold and Gerlach is in no way personal.

We contend that they are not fitted for public office, that they represent the Ring and not the people. To prove it so that the people will understand the situation is the province of an INDEPENDENT newspaper, such as the RICHMOND DAILY NEWS.

A man's private life is, to a great extent, his own business. His PUBLIC life, however, is the business of EVERY VOTER IN THE CITY.

To prove, then, that an official has abused his official position in the past is not only right, but the DUTY of a newspaper.

CLUBBING THEM INTO SUBMISSION.

Hartnett is a member of the License Committee of the City Council, and the way he is using that position to swing the saloon vote is a lesson in "practical" politics.

In company with Mike Lucey, owner of the Bank Bar, and Councilman Follett, Hartnett has been industriously canvassing all the saloons in Richmond.

Quite regardless of the "highlanders" is Hartnett. He swings his big stick, as we said, he is a member of the License Committee and merrily goes his way.

Whether or not the saloon men like it, Hartnett is trying to club them into working for his re-election.

A forced vote is next to worthless, in our opinion.

The labor candidates need no club to win. Hartnett will discover after next Monday that threats make very poor election material.

In the meantime, the union men of Richmond are doing some profound thinking.

HEARTS IN EXILE TODAY - RICHMOND

"Hearts in Exile," which is from the great novel by John Galsworthy and the play written by Owen Davis, is to be presented this evening at the Richmond Theater in five acts. Clara Kimball Young takes the leading role and with a power that is seldom seen in the motion picture world depicts the love, ambitions and sorrows of the young Russian woman through court intrigues in her own land and her desperate struggles in Siberia, where she follows her husband to exile. The end of the story is replete with heart thrills, and in the role of "Hope Ivanovna," Miss Young has a part which her strong power of characterization are given a remarkable interpretation.

In addition to the major attraction, the Vitaphone drama in two reels, "Rosalind," and the Kalem comedy, "How Ida Got a Husband," make up the bill. Friday and Saturday will be seen the great filming of the German masterpiece, "The Devil."

Suppose We Pared These Tires

Suppose this All-Weather tread—now double-thick—was pared to the thinness of the usual anti-skid. Would it endure like this one? Or so resist puncture?

Suppose we used—as some do—one less fabric ply. Or made the whole tire lighter. Suppose we omitted our exclusive features:

- Our No-Rim-Cut feature—Our "On-Air" cure—Our rubber rivets—Our 126-piano-wire base.

All rivals do omit them. All of them are costly. Our "On-Air" cure alone costs us \$450,000 yearly to save needless blowouts. But could Goodyear Fortified Tires retain top place if we did not give those extras?

Cost Added Prices Lowered

Instead of that, we all the time add costly better-

ments. We spend on experts \$100,000 yearly to seek out new improvements.

Our All-Weather tread—always double-thick—is made still thicker in some sizes.

Our Inner Tubes have been thickened 14 per cent on the average.

Our fabric has been strengthened.

Yet on February 1st we made our third big price reduction in two years, bringing the total to 45 per cent. Now you are getting in Goodyear Fortified Tires the best value ever known in tire making.

It is due to yourself that you this year join this army of contented tire users. It is by far the largest army in Tiredom. Any dealer will supply you. (cont)

All Of Which Is a Tale Of a Roaring Horse

D. C. Courtney of this city purchased a horse which he says had the "chronic" roar. It roared so much when Courtney was driving that he commenced suit against Henry, William, Carl and Fred Blume to make them return to him \$200 which he paid for it.

But although the horse roared, it could not roar enough to make the Blumes pay loss from the change. Consequently Courtney roared at the Blumes and then took them into court to compel them to hand over his hard earned cash.

A jury heard the roars of the horse and the roars of a number of witnesses and attorneys and then roared into the court's ears that it didn't deem the roars of sufficient magnitude to compel the Blumes to dig up.

But as the horse still roars, Courtney has taken his rumblings into the Superior Court, where Superior Judge McKenzie will listen for a while to Courtney's roars and then decide if he should have some refunding for the roars of his horse.

Dina was last seen fleeing from an officer of the law. Dina's eight children are crying for her.

Dina is a coal black gipsy. Yesterday the policeman chased her several blocks, but failed to catch her.

Her mistress, Mrs. A. Hitt, ridge, 202 Second street, is searching for Dina. If she is found, these eight baby puppies will probably die.

LOCAL CASE NOW IN MCKENZIE'S COURT

This week's session of Judge McKenzie's court has been given over to the hearing of the suit of the Bay Counties Land Company against the Ellis Landing and Dock Co., which arose over a certain amount of dredged material taken from the inner harbor channel.

MUNICIPAL WILL START JOB SOON

CONCORD, May 6.—Work on the 22 blocks of oiled macadam pavement necessary to complete the entire system of good streets, planned by Concord, will start immediately under the direction of President Henry C. Wahl of the Municipal Improvement Co. of Richmond.

All of the machinery, teams and men necessary for the big job have arrived on the scene and the company expects to be grading before the end of the week.

When the work is finished, which will probably be in July, the street inside of the incorporated limits will be the equal of any in the state.

Mr. and Mrs. Frank Mills of Alaska are visiting Mr. and Mrs. Frank Welch, 234 Twentieth street.

WILL ENTERTAIN EIGHTH GRADERS

"A fortnight of glory divine," is what the high school students plan to give about 150 eighth grade students at the high school Friday afternoon, when the annual reception to the eighth graders will be held. For the first time students from Albany and Pinole schools will be present at the reception.

A good program of music, dramatics and speeches has been provided, and the more material end of the entertainment, such as peanuts, etc., will not be slighted.

CHARGES WOMEN WITH ASSAULT

Mrs. Saranno Angelo, who shot Alvarico Cutti, when, as she says, he tried to embrace her near the Crockett depot on April 20, and who the district attorney refused to prosecute after he had made an investigation, has been charged with an assault to commit murder.

The complaint was sworn to by Judge Hayden by Cutti, who has secured the services of Attorney W. A. Fleming to prosecute the matter. It could not be learned yesterday if a warrant for the arrest of Mrs. Angelo had been issued, but it is presumed the matter is being kept quiet until she is taken into custody.

Cutti asserts that the woman was hiding in an alleyway as he passed by and that she fired upon him without provocation. He points to the fact that the bullet struck his abdomen and entered the right side in confirmation of his story.

The officers, when they investigated the shooting, reported that the woman's story was borne out by numerous witnesses and that she was justified.

"THE DEVIL" AT RICHMOND THEATRE

"The Devil," the sensation of several years, and one of the strongest plays ever written, is to be given at the Richmond theatre on Friday and Saturday of this week. This picture is made from the original play and shows up to seven better advantage with the celebrated actress, the dramatic actress, in the leading part.

The play deals with the subtle influence of the character of the Devil, who enters the lives of Isabelle and a former lover, Harry Lang, bringing them together by a series of unusual incidents and starting away the love which each thought had died.

VALLEJO WILL BREAK IN WITH CLUB WOULD PLAY RICHMOND

(Vallejo Chronicle.) Tony Blanco, manager of the Blanco and O'Keefe's of the Vallejo City League, announced yesterday afternoon that he has about made up his mind to run a traveling club out of this city at the end of the league series, and is already framing up plans for a busy campaign with the various clubs around this vicinity. He will probably try to arrange games with such organizations as Martinez, Petaluma, Richmond, San Rafael, Antioch and numerous others.

Dutch Lundberg is named as the first string heaver for the travelers. Lundberg has been going great guns all season and is in shape right now to take up his duties with the new club. At first it was thought that Borgwardt would be selected, but he

has shown the fans that he is not as good as he used to be, while his successor, Lundberg, is coming along at a great stride. He has the goods in his arm and there is also some body home upstairs, which will stand him to good advantage while working with such an able receiver as Horan, the cream of the receivers in the local organization.

The balance of the club will be made up mostly of last year's Vallejos. Soanes will be on first; the old war horse, Dick Ward, at the keystone station; "Chamus" Connel will dig the fast ones out of the dirt at short, and O'Neil will take care of third. In the outfield Culver, Blanco and Gehrmann will hook the scrappers.

SPORTING GOULASH

Joe McNamara, Martinez manager, has begun negotiations with the management of the Newark club for a game and excursion to that town during June. Plans are being made to make the excursion the biggest in which Martinez will participate this season.

Three California pitchers were worked in the big show yesterday. Bill James of Oroville, pitching for Boston, held Brooklyn to six hits and won his game 6 to 1. Sailor Stroud, formerly of Sacramento in the Coast League, pitching for New York, beat Philadelphia 4 to 2. One of the hurries that worked against Stroud was Joe Deuchler, former St. Mary's College boy, who is well known here.

Richmond ball fans were just as happy last night as if the Elks had hit over another one. Bill Burns, pitching for Los Angeles, yesterday beat Venice 6 to 0, holding the Venetians to one lone hit. Bill nearly had a no-hit-no-run game. Venice pitched Deannier, Hogan's one best mound bet so far this season.

Bill Cunningham took another one of his mysterious flying trips across the bay to San Francisco last night. Manager Luce is figuring putting detectives on the trail of his star outfielder. It is feared he may be conspiring to accept one of the contracts to enter class A ball offered him before the present season started.

Negotiations for a mill between Charlie Thompson and Al Mejia have been started. Thompson's backers claim he can trim Mejia, while the local heavyweights think Thompson was made especially for him.

Richmond high's ball team will be materially strengthened from now on by the addition of "Pepper" Robinson, who until recently has been catching for the team of Santa Cruz high. Robinson has moved to this city from Santa Cruz, and has taken up his studies in the junior class at the local institution. He can play any position of the infield. The newcomer is tall and rangy, having all the earmarks of a regular diamond artist. Welcome "Pepper."

TAILORS' LINEUP GOSH! THIS WILL BE A REGULAR BALL GAME

When the Elks step in there against the Ambrose Tailors on the first street grounds Sunday afternoon, they will not have the chance some local fans seem to believe they will have. Manager Bill Luce received the lineup of the Ambrose Tailors yesterday and it is enough to make Luce lose several hours of perfectly good sleep between now and 2:30 p. m. Sabbath.

There is not an out and out buster coming here with Ambrose Sunday. All of the Oaklanders are fast, and we happen to know there are several of them under the eyes of the scouts of organized baseball right now.

Lamp this lineup and then make up your mind to see the Elks in one of the hardest games of the season Sunday. Furrer, center field; Bauer, second base; Hubert, shortstop; Holing, third base; Howard, right field; Corrigan, left field; Orr, first base; Starnish and Peterson, pitchers; McDonough, catcher, and Wetzel and Markovitch, extras.

Union men, we are all doing it. Sending out suits to Mayer's American Cleaning Co. to be cleaned, pressed or repaired. Phone 453. 1115 Macdonald Ave. 8-17-adv.

Some game (emphasis on the some) will be played on the first street grounds Sunday morning at 10:30, when the Richmond Sanitary Moulders' nine takes on the fast aggregation of Store Fixers from Newark. For those fans who like action there will be plenty to satisfy their cravings at this morning eye-opener. It will be a good appetizer for what is to follow in the afternoon.

Two weeks ago the Sanitary Moulders journeyed to Newark and beat the Alameda county Store Fixers by the score of 7 to 4. Newark says it can't be done again. Richmond says it can, and with just as much ease next Sunday morning. All of which will mean action, pepper and ginger when the 18 exponents of the old diamond game get out there Sunday morning.

Stop! Look! Listen! In order to make the game of big league variety, the management of the locals has arranged for the appearance of "Brick" Devereaux as umpire. For those who don't know we will say that "Brick" is one of the best umpires in the game today, having none. That is to speak frankly, he is a cross between an umpire and a comedian. He will be worth the price of admission. "Brick" made an unannounced statement last night in which he said he would be master on the diamond at all times.

The lineup of the opposing armies will be announced later.
